

Unwavering Support for Typhoon Tino Survivors

November 11, 2025

We proudly recognize the Deaf Effata community for their unwavering support and are humbled by their generous donations. Our heartfelt thanks are extended to everyone who stepped forward to help the Deaf people of Canloan affected by Typhoon Tino.

At the request of PSWDO Head Hillton John Edrial, this initiative was carried out by the Provincial Social Welfare and Development Office (PSWDO), with special appreciation for our colleague Jessie Susan Lo whose role as Deaf staff at PSWDO exemplifies true inclusion and stewardship.
